After the full size printer has been installed you can print a 8 ½ X 11 inch sheet of paper with barcode labels on it. The barcodes will print in the format for the Avery 5160 label format.

Configuring the Full Size Label Printer

 <p>The image shows two buttons: a yellow 'Manager' button at the top and a grey 'Options' button below it.</p>	<ol style="list-style-type: none"> 1. Select Manager/Options and enter your administrator password (default: admin) where applicable.
 <p>The image shows a grid of menu items. A green box highlights the 'Setup' item, which is labeled with a '4'. Other items include Cashier, Invoice Properties, Tools, Administrative, Cashier CDL, Discount Levels, Setup Screen, Touch Screen Configuration, Price Batches, Cost Markup, Display Setup, Online Ordering Setup, Friendly Printer Setup, Self Service Configuration, Customer Loyalty, General Invoice Notes, Tax Rates, Barcode Express, and Virtual Pole Configuration. An 'Exit' button is on the right.</p>	<ol style="list-style-type: none"> 2. Select Setup and then Friendly Printer Setup.
 <p>The image shows the 'Printer Setup' dialog box. It has two panes: 'Select Friendly Printer' and 'Select Local Windows Printer'. In the 'Select Friendly Printer' pane, 'Label' is selected. In the 'Select Local Windows Printer' pane, 'Microsoft XPS Document Writer' is selected. Below the panes are 'Printer Options' and 'Station Options' sections. At the bottom are buttons for 'Help', 'Add Order Printer', 'Delete Order Printer', 'Save & Exit', and 'Cancel'.</p>	<ol style="list-style-type: none"> 3. Under Select Friendly Printer select Label. 4. Under Select Local Windows Printer select the full size printer that has been installed and has the Avery 5160 media loaded. 5. Under Printer Type select Laser/Inkjet. 6. Select Save & Exit.
