Hide Payment Types Customization Guide

Rev 10/2019

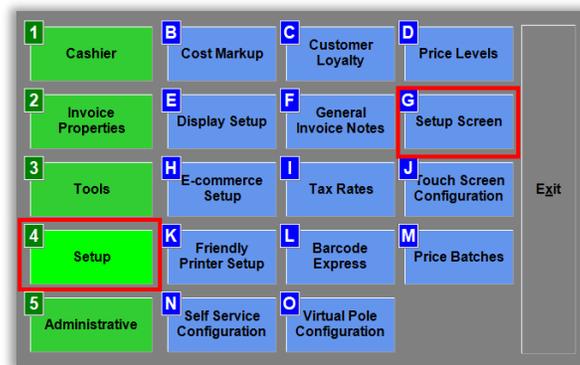

Date	Doc Version	Author	Summary
10/17/2019	1.0	BG	Initial release

Overview

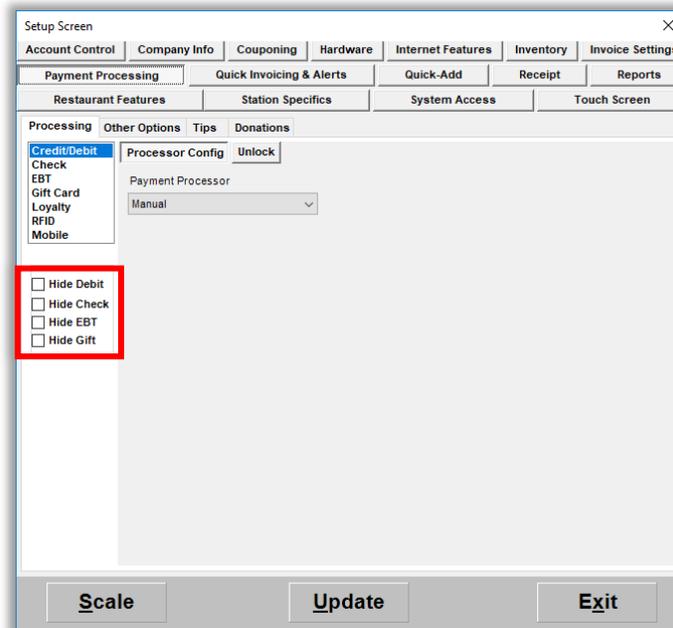

This document will guide you through customizing payment types so that those you do not wish to display are hidden from view in CRE. This customization is available in CRE 13.1005 and later.

Hiding Payment Types

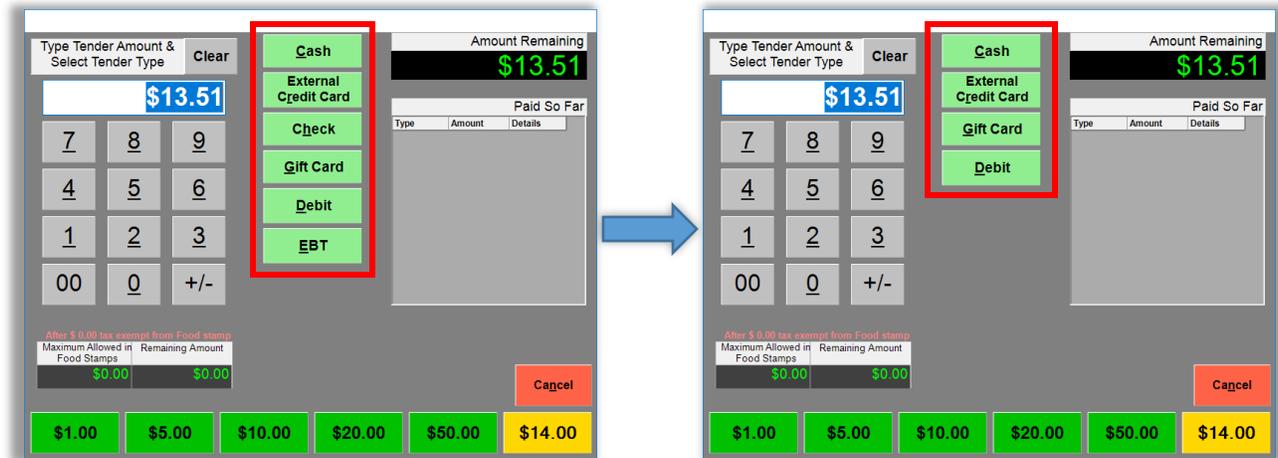

- 1 Go to **Setup | Setup Screen**.

- 2 Go to the **Payment Processing** tab, click the appropriate checkboxes from the list in the lower left corner of the screen, and click **Update**.

- 3 To see the result, start an invoice and click the **Pay** button. The first image below shows the payment screen with no payment types hidden. The second shows the payment screen with **Check** and **EBT** hidden.

Eligible Payment Types

These are payment types CRE currently allows you to hide:

- ▶ Debit
- ▶ Check
- ▶ EBT
- ▶ Gift

If you have questions regarding this customization, please contact Cash Register Express Support at 888.319.0521 or DAM@heartland.us.
